

greement between St. Philip's CoE (VA) Primary School, TJ Kids and Vinery Allotments.

1. The lock for the gate between St Philips School and Vinery allotment site will have 2 keys, one key held by Tanya for her easy access to the school for guided children's activities on her plot, and one key for St Philip's Primary School.
2. St Philip's Primary School will keep their key in the safe box within the school office.
3. St Philip's Primary School will only make use of the key and open the gate for unplanned extraordinary circumstances when for example children need to leave the school site in an emergency when the other 2 school emergency exits are unavailable or if there is no alternative at that time.
4. If St Philip's Primary School makes use of the gate, a school officer will contact the Vinery allotment site manager - currently Glynn Gorick:

Glynn Gorick - Vinery site manager
113 Hemingford Road
Cambridge
CB1 3BY
UK
01223 721881

| Signed | Name / Position | On behalf of | Date |
